

CULTURAL WEALTH – HERITAGE FOR FUTURE GENERATIONS

This project predicts reconstruction of the buildings of three Houses of Culture in three municipalities in the South-East planning region, in the village of Moin – Municipality of Gevgelija, village of Lubnica – Municipality of Konche and in Radovich, Municipality of Radovich.

In the Houses of Culture in the villages of Moin and Lubnica, complete reconstruction of the buildings is planned, with implementation of construction works, electrical installation works, water supply and sewerage, as well as cleaning, arrangement and refinement of the space around the buildings.

In the House of Culture "Aco Karamanov" in Radovich, additional construction of the main building is planned, which will facilitate the path of the actors from the acting room to the stage.
